

## Recommendation for WeCoach.Team

I am pleased to recommend **WeCoach.Team** for their outstanding work on the *Individual Coaching Program for Presentation Skills* designed for managers and key employees.

Over the course of six months and eight coaching sessions, a dedicated professional ICF-certified coach worked with our participant from Volvo to strengthen critical presentation capabilities. The program combined pre-read materials for deeper exploration with a tailored Individual Development Plan to ensure growth continued well beyond the coaching sessions.

This program is particularly valuable for professionals seeking to build **greater self-awareness and confidence in presentation settings**, and to develop the **skills and tools needed to engage and influence audiences—including senior leaders—with gravitas, authority, and credibility**.

It fostered a genuine mindset shift and measurable progress in areas such as **growth mindset, emotional regulation, effective communication, assertiveness, and active listening**, achieving approximately **80% growth within just six months**.

Throughout the process, WeCoach.Team demonstrated **professionalism, deep expertise in leadership development, and an ability to tailor their approach to individual needs and goals**. Their transparent, supportive partnership makes them a **credible and trusted Learning & Development ally for any organization**.
